**From:** Bill Scheyer, Association President  
**Subject:** Cincinnatus Foundation Request - LWVCA

---

The Cincinnatus Foundation has received its first request for assistance. It is from the League of Women Voters. The description of their need is below.

If you are interested in joining the Foundation's effort, or want more information, please contact Nancy Minson at [nminson@mhaswoh.org](mailto:nminson@mhaswoh.org) or (513) 287-8541.

This is an intellectual effort and calls for no financial assistance.

Thank you for your consideration.

### Requesting Organization

*League of Women Voters of the Cincinnati Area*

Please describe the type of assistance you would like from Cincinnatus members, and the community need/opportunity you propose to address:

*LWVCA is contemplating moving to new offices and we hope to do that in such a way that we can share some resources and functions with one or more other civic groups. We need a commercial real estate consultant to assist us in determining the multiple and divergent goals for a move, to build agreements with potential partners, and to determine what is feasible, practical and affordable that will actually enhance our service to our members and the community.*

How many members would you wish on the project, and for how long?

*One or two members for 3-6 months.*

What outcomes do you anticipate as a result of your participation with the Cincinnatus Foundation, and how do you plan to measure them?

*LWVCA will either enter into negotiations to rent a shared space that meets our needs and budget, or determine that a move is not recommended/feasible for the next 3-5 years.*
