

Housing Options for People with Mental Disabilities

A Public Informational Forum

May 3, 2011, Tuesday

7:00 – 8:30 p.m.

At the Sycamore Senior Center
4455 Carver Woods Drive, Blue Ash

What housing options exist today for people with mental disabilities?

Are there still large institutions? Group homes? Community services to support independent living?

Are the services adequate to meet the needs?

Where does funding come from?

The purpose of this forum, presented by the League of Women Voters of the Cincinnati Area, is to inform citizens about current policy, practices, and issues surrounding housing for people with mental disabilities. This program will be of particular interest to people with family or friends with mental disabilities and citizens interested in Hamilton County levies and the services they support.

Panel discussion moderated by Elizabeth Brown, HOME (Housing Opportunities Made Equal), with representatives from:

- **Hamilton County Developmental Disabilities Services**
- **Hamilton County Board of Mental Health & Recovery Services**
- **Center for Independent Living Options**

Sponsored by the League of Women Voters of the Cincinnati Area
